

Welcome to the great family of the SPCA de l'Outaouais!

The municipality of Kazabazua has entrusted us with the management of pets on its territory. If you have a dog, you will find below the procedure to follow to purchase or renew its license (cat license optional). For all other services, please refer to our website: <https://spca-outaouais.org/en>.

You will be able to purchase the licenses of your animals on our management platform, Emili. If you have a permanent license, some of your information is already there. You can also modify your file if some information is not up to date.

To purchase or renew a license online, visit our website under the "Licenses" tab and select "Purchase". Click on "Form for the municipality of Kazabazua" and follow the instructions there.

It is also possible to purchase your licences:

- By phone at 819-243-2004, option #3 (credit card in hand).
- At your municipal office.
- By mail (return the slip below to **PO Box 82122, Gatineau, QC, J8T 8B6**)
- In person at the SPCAO shelter, located at 132 rue de Varennes in Gatineau. You can also have your pet microchipped at a cost of \$30 ^{+tx}, by appointment only.

At a cost of \$25, licenses must be renewed each year, but the medallion is permanent. It will be mailed to you if you do not already have one. Keeping your pets' licenses up to date will help you comply with municipal regulations, avoid penalties and make it easier to find your pets if they get lost.

For any public nuisance regarding dogs, contact our patrol at **819-205-2908**.

Thank you for your trust and welcome again to our big family!
